Storytelling is deeply at the root of every culture that has ever been on the planet. Master storyteller Rob Cleveland takes the audiences on a trip around the world. This program will be tailored to fit the desires of a particular audience. Many schools and organizations will have periods of time that they will study a particular culture. The program can be matched to those cultures. Many of the stories will come from the award-winning Story Cove series. Rob's books can be ordered ahead of time and a book signing session can be held.
