The CNC is completely ADA compliant from the parking lot to the Pavilion (wheelchair accessible).

Bring a Picnic or pre-order from the Talk of the Town Catering menu. Those sitting on the lawn may wish to bring a blanket to sit on.

OUTSIDE ALCOHOL IS NOT ALLOWED. Alcoholic beverages may be purchased at the bar in the Pavilion at the Nature Center.

The following items are not permitted at the event: Glass, outside alcohol, pets (except service animals), folding tables, or weapons of any kind.

Lawn chairs are permitted on the lawn during performances. To prevent sight blockage, those without chairs will sit closer to the stage area than those who have them. Please restrict chairs to 30 inches high or less; the greater the height of the chair, the farther back one must sit.

Only ticketed patrons will be allowed on the premises after 6:30 pm.

The use of photography, video or recording equipment is strictly prohibited during the performance.

Smoking is not permitted in the seating area. There is a designated smoking area at CNC near the Pavilion.
Please look after your personal belongings. Georgia Ensemble Theatre and Chattahoochee Nature Center are not responsible for lost or damaged personal articles.

Unauthorized sales, solicitations and distributions are prohibited.

Georgia Ensemble Theatre makes every attempt to perform as scheduled. In the event of rain, those in the lawn area may be moved to chairs under the Pavilion if available, or tickets may be exchanged to another performance. In the event of extreme inclement weather, the performance may be cancelled.
