Curriculum Standards:

Attached Materials: Supplemental workshops can be provided if the school/ venue requests it for an additional $250. If booked we need to know the number of students to prep for. Workshops last 1 hour. Ideally the class size would be 25-30 students. All materials for workshops are provided.

Venue Requirements:

- Stage must have a 10'x 7'x 10' space.
- Audience seating should begin 8' back from the front of the stage. If permitted, performer can make a tape line to indicate the start of audience seating.
- The performer will utilize overhead lighting provided by the space unless theatrical lighting is provided. In which case a general wash is all that is needed.
- Close access to an outlet.
- Access to the performance space 1 hour prior to performance.
- Access to the performance space for 45 minutes after the performance to clean up.
- For back to back performances the performer must have 30 min between shows to rest and recharge.
