Conservatory COVID-19 Mitigation Plan for Camps and Classes

*IN ADDITION TO ALL Georgia Ensemble Theatre MITIGATION PROCEDURES AND PROTOCOLS*

- All camp/class sizes have been reduced
- All students' temperatures will be taken before being admitted to camp/class. Temperature will be checked at the car before being admitted to the building. Temperatures are re-checked at noon for camps or mid-class for school year training classes.
- Students will be escorted by a staff member to class.
- Parents will drop off outside of the building. Anyone (student or instructor) with a temperature or symptoms of COVID-19 will be asked to stay out of camp/class as per the CDC Guidelines/Governor’s Executive Order.
- All staff will disinfect and clean throughout the day (Every 30-45 minutes) with medical grade sanitizers.
- Students will be asked to wear face masks when in closer proximity to one another.
- All staff will wear face masks during check in and check out procedures, throughout the class and when in closer proximity to one another.
- All students and staff will practice regular hand washing and hand sanitizing throughout the day (every 30-45 minutes) with medical grade sanitizers, including at the beginning and ending of every class.
- All students will be required to provide their own meals for lunch and snack times in sealable containers.
- All students will have assigned and designated seating assignments
- Student belongings will have an assigned place to be stored so that no personal items mingle.
- If for any reason the state government changes the shelter in place policies, GET Conservatory classes/camps will comply.
- NO before and extended day care
- 6-10 ft. Social distancing will be practiced in all classes.
- Isolation area is established prior to the start of any camp or class in the event that someone presents with COVID-19 symptoms and cannot evacuate the building immediately.
- Required signage will be posted throughout the building and classrooms.
